

## SERVICE CENTER TERMS & CONDITIONS

- The original copy of the Customer Receipt is required when collecting repaired or unrepaired equipment from the Service Center.
- Evaluation Fee is payable for any non-warranty repair unless the repair estimate is approved.
- All repairs except misuse cases have a 30 - 90 days repair-warranty, depending on the product if the same error occurs again.
- The Service Center cannot repair products and accessories beyond the scope of service.
- Unclaimed equipment for more than six months will be disposed of/sold to cover evaluation fees and storage costs without prior notice to the client.
- Equipment lying in the Service Center is at the owner's risk in case of damage/loss caused by theft, natural calamities, and disasters.
- The Service Center is not responsible for any potential loss of data or user settings during the repair procedure. The customer must back up his important data/settings before sending the equipment to the Service Center.
